

5<sup>th</sup> International Conference  
**Archaeometallurgy in Europe 2019**  
**Miskolc, Hungary**  
19<sup>th</sup> – 21<sup>st</sup> June, 2019

**Call for exhibitors:**

We are calling exhibitors to our International Conference on Archaeometallurgy. The main goal of the conference is to present new insights, new approaches and new results of complex examinations in the field of archeometallurgy.

**The aims are:**

- to continue with the good professional standards developed in the conferences up to now,
- to enlarge the focus of the conference towards Eastern Europe,
- to emphasize and strengthen the interdisciplinary character and activities of archaeometallurgy.

# CALL FOR EXHIBITORS!

**Main topics:**

- Archaeometallurgy of copper and copper based alloys (case studies, latest results)
- Archaeometallurgy of iron (case studies, latest results)
- Archaeometallurgy of precious metals and other non-ferrous metals (e.g. tin, lead and mercury)
- Technology transfers over space and time
- Latest experiences of related archaeometric methods and technologies
- Comparative studies

**Basic parameters of the conference:**

- Planned participants: 150-250 person.
- Planned presentations: 80-100 oral lectures and 50-60 posters
- Implementation: during the three days 6 X 2-3 sessions in 2-3 conference halls + 3 poster sessions.
- Exhibitors' stands will be placed in the same hall where poster sessions will be held.

**Exhibition, sponsoring:**

Those companies, who would like to show their activities, related to the conference, can have a stand. A package is offered for Bronze, Silver and Gold sponsors.

- **For Bronze:** stand with 6 m<sup>2</sup>, equipped with table, chairs, electricity, 1 person participation on the conference, (650 EUR + VAT)
- **For Silver:** stand with 9 m<sup>2</sup>, equipped with table, chairs, electricity, 1 person participation on the conference, (950 EUR + VAT)
- **For Gold:** stand with 12 m<sup>2</sup>, equipped with table, chairs, electricity, 2 persons participation on the conference, (1500 EUR + VAT)
